

NOTICE OF A PUBLIC SCREENING TO SELECT ONE EXPERT IN THE “ORGANIC AGRICULTURAL” PRODUCTION METHODS FIELD IN CROATIA

It is made known that the ARTA, in relation to the Interreg IIIA- BIOADRIA project, promoted as part of the new programme for Adriatic proximity INTERREG-CaRDS-PHARE, for the year 2008, must provide for the selection of one person, to fulfil a professional role, possessed of a university degree in agricultural sciences and/or an agronomist.

Requirements:

1. university degree in agricultural sciences
2. excellent knowledge of Croatian
3. good knowledge of English
4. expert in the Croatian organic farming production sector

To this end, all interested parties are invited to present, no later than midday on 16 May, 2008, a specific application and curriculum vitae, IN ENGLISH, illustrating they can offer the required professional experience and that they meet the requirements stated.

The application and the curriculum vitae, with digital signature, should be emailed to info@artaabruzzo.it, for the attention of Mr Antonio Fernandez.

The Administration will proceed to an assessment of the curricula presented by the experts, and to a subsequent appointment for the post advertised. The Administration's decision will be final and binding.

The post involves the following tasks:

- 1- drawing up of a study for **Enhancement of associations for transformation and sale of organic products (activity 2.4)**, relative to the territory of the Republic of Croatia;*
- 2- a contribution in drawing up teaching units for distance learning (activity 1.2) relative to certification, standards and marketing of organic products in the territory of the Republic of Croatia.*

The ARTA will subsequently acquire the final reports pertaining to the abovementioned activities and verify their contents, then pay an overall and fully comprehensive amount of 3,200 euros.

The final reports, relative to this post, shall be written in English and must reach the head offices of ARTA Abruzzo no later than 26 May, 2008.

The person in charge of this procedure is Mr Antonio Fernandez.
